About our Health Content

Our health content describes general principles of health care that should not in any event be construed as specific instructions for individual patients. This material is not intended as a guide to self-medication or as a substitute for proper medical advice, diagnosis, or treatment. It is for reference only and should not be used to determine treatment for specific medical conditions - only a health care provider can do that. The Service and its health-related information and resources are not intended and must not be taken as the rendering of medical, nursing, or professional health care advice or services, or the practice of medicine, nursing, or professional health care in any

jurisdiction. You should discuss the information provided with a physician, pharmacist, nurse, or other licensed health care professional. You should also check product information (including package inserts) regarding dosage, precautions, warnings, interactions, and contraindications before administering or using any device, drug, herb, vitamin, or supplement discussed on the Service.

You understand and agree that neither CVS Healthspire nor its suppliers or vendors are responsible for any claim, loss, or damage directly or indirectly resulting from your use of the Service or the information resources contained on or accessible through the Service.

Proper treatment of health conditions depends upon a number of factors, including, but not limited to, your medical history, diet, lifestyle, and medication regimen. Your health care provider can best assess and address your individual health care needs. You should consult with your health care provider before starting a new diet, fitness, or supplement regimen. **IF YOU ARE EXPERIENCING A MEDICAL CRISIS, PLEASE CALL 911 OR CONTACT YOUR LOCAL EMERGENCY ASSISTANCE SERVICE IMMEDIATELY.**

Information and statements about dietary supplements have not been evaluated by the US Food and Drug Administration and are not intended to diagnose, treat, cure, mitigate, or prevent any disease or health condition. CVS Healthspire does not endorse manufacturers' or others' claims about the efficacy of these products. We specifically disclaim any guarantee or warranty, express or implied, with respect to any products or services sold, including any warranty of merchantability or fitness for a particular purpose. No information conveyed by CVS Healthspire either orally or in writing shall create such a warranty.

Products and Transactions

Please note that references to or descriptions or images of products or services (including health plans) on the Service should not be interpreted as endorsements of such products or services and such products or services may be made available by CVS Healthspire or by third parties.

Price (including the validity of any discount), your eligibility or the availability of any product or service, and any other information are subject to change without notice. CVS Healthspire and its suppliers and vendors are not required to assess or otherwise determine the validity or legitimacy of any complaints or demands that they may receive regarding any Materials that you may use or allow others to use in connection with the Service (including Materials posted or submitted to the Service) before CVS Healthspire and its suppliers and vendors take any remedial action that they consider, in their sole discretion, to be appropriate.

By providing your residential or wireless phone and/or fax number(s) to CVS Healthspire Life Sciences Solutions or their affiliates you expressly consent to receive study-related calls and text messages from or on behalf of CVS Healthspire Life Sciences Solutions or its affiliates at the number(s) provided. Your consent to receive calls or texts on your wireless device is not a condition of any purchase. Consent may

Text Messaging Terms and Conditions

CVS Healthspire Life Sciences Solutions or one or more of its affiliates offers access to healthcare service messages via recurring SMS (Short Message Service) and MMS (Multimedia Message Service) text alerts. Enrollment in text alerts requires you to provide your own mobile phone number with an area code within the 50 United States or the District of Columbia. By enrolling to receive messages from one of the CVS Healthspire Life Sciences Solutions text alert programs, you agree to these terms and conditions, which become effective upon your enrollment. You may be asked to verify your mobile phone number before the service will start. This requires responding to a text alert sent to your mobile phone confirming your enrollment in this service.

You acknowledge that text alerts will be sent to the mobile phone number you provide to CVS Healthspire Life Sciences Solutions. Such alerts may include limited personal information about your healthcare services, and whoever has access to the mobile phone or carrier account will also be able to see this information. Once you enroll, the frequency of text alerts we send to you will vary. You will typically receive text alerts when we have information for you about your healthcare. CVS Healthspire Life Sciences Solutions does not impose a separate charge for text alerts; however, your mobile carrier's message and data rates may apply depending on the terms and conditions of your mobile phone contract. You are solely responsible for all message and data charges that you incur. Please contact your mobile service provider about such charges.

The CVS Healthspire Life Sciences Solutions text alert programs are offered on an "as is" basis and: (1) may not be available in all areas at all times; and (2) may not continue to work in the event of product, software, coverage or other service changes made by your wireless carrier. CVS Healthspire Life Sciences Solutions may change or discontinue any of its text alert programs without notice or liability to you. CVS Healthspire Life Sciences Solutions and its related companies and each of their respective officers, directors and employees are not responsible and shall not be liable for any losses or injuries of any kind resulting, directly or indirectly, from any CVS Healthspire Life Sciences Solutions text alert program or from technical failures or delays of any kind. CVS Healthspire Life Sciences Solutions reserves the right to cease delivery of text alerts to any person at any time in its sole discretion. Carriers are not liable for delayed or undelivered messages.

Dispute Resolution

EXCEPT FOR DISPUTES THAT QUALIFY FOR SMALL CLAIMS COURT, ALL DISPUTES ARISING OUT OF OR RELATING TO THESE TERMS OR ANY ASPECT OF THE RELATIONSHIP BETWEEN YOU AND CVS HEALTHSPIRE PAYOR & LIFE SCIENCES LLC (OR ITS SUPPLIERS OR VENDORS), WHETHER THE DISPUTE IS

BASED IN CONTRACT, TORT, STATUTE, FRAUD, MISREPRESENTATION, OR ANY OTHER LEGAL THEORY, WILL BE RESOLVED IN FINAL, BINDING, INDIVIDUAL ARBITRATION BEFORE A NEUTRAL ARBITRATOR INSTEAD OF IN COURT BY A JUDGE OR A JURY. YOU AND CVS LIFE SCIENCES SOLUTIONS AGREE THAT CVS LIFE SCIENCES SOLUTIONS AND YOU EACH WAIVE THE RIGHT TO TRIAL BY A JURY AND THAT THE FEDERAL ARBITRATION ACT ("FAA") AND FEDERAL ARBITRATION LAW, NOT STATE LAW, GOVERN THE ENFORCEABILITY OF THIS DISPUTE RESOLUTION PROVISION. YOU AND CVS LIFE SCIENCES SOLUTIONS ALSO AGREE THAT ANY ARBITRATION UNDER THESE TERMS WILL TAKE PLACE ON AN INDIVIDUAL BASIS; CLASS ACTIONS, CONSOLIDATED ACTIONS, AND MASS ACTIONS, WHETHER IN COURT OR ARBITRATION, ARE NOT PERMITTED, AND YOU AND CVS LIFE SCIENCES SOLUTIONS AGREE TO GIVE UP THE ABILITY TO BRING OR PARTICIPATE IN A CLASS, CONSOLIDATED, OR MASS ACTION.

FOR ANY AND ALL DISPUTES OR CLAIMS YOU OR CVS HEALTHSPIRE PAYOR & LIFE SCIENCES LLC HAVE, THE PARTY PURSUING THE DISPUTE OR CLAIM MUST FIRST GIVE THE OTHER PARTY AN OPPORTUNITY TO RESOLVE THE DISPUTE OR CLAIM BY SENDING AN INDIVIDUAL, WRITTEN DESCRIPTION OF THE CLAIM THAT DESCRIBES IN DETAIL THE INDIVIDUAL DAMAGES THAT THE PARTY CLAIMS TO HAVE SUFFERED (THE "DEMAND FOR ARBITRATION"). YOU MUST SEND YOUR DEMAND FOR ARBITRATION TO CVS HEALTHSPIRE'S REGISTERED AGENT AT THIS ADDRESS:

CVS Health Corporation
C/O Healthspire Payor & Life Sciences LLC
One CVS Drive
Woonsocket, R.I. 02895CVS

You and CVS Healthspire each agree to negotiate your claim in good faith. Each party agrees that it may not commence any arbitration or court proceeding unless you and CVS Healthspire are unable to resolve the claim within 60 days after receipt of the demand for arbitration and the parties have made a good faith effort to resolve their claims directly during that time. If you or CVS Healthspire are unable to resolve the claim within 60 days despite those good faith efforts, then either you or CVS Healthspire may start an arbitration or small claims court proceeding. You and CVS Healthspire agree that any dispute as to whether these conditions precedent have been satisfied will be decided in court and not by the arbitrator. Either you or CVS Healthspire may elect to have an arbitration proceeding initiated by the other party adjudicated in small claims court by giving written notice of that election to the other party.

Arbitration shall be conducted by National Arbitration and Mediation ("NAM") under its Comprehensive Dispute Resolution Rules and Procedures, including its Minimum Standards for Procedural Fairness for Consumer and Employment/Workplace Arbitrations, and its Supplemental Rules for Mass Arbitration Filings (the "NAM Rules"). The NAM Rules and instructions for how to initiate an arbitration are available from

NAM at <https://www.namadr.com/>. If NAM fails or declines to conduct the arbitration for any reason, you and we will mutually select a different arbitration administrator. If we cannot agree, a court will appoint a different arbitration administrator but will not decide arbitrability or any other aspect of the parties' dispute (except as outlined above or if either party files a small claims court matter). In the case of in person proceedings, the proceedings should be conducted at a location that is reasonably convenient to you with due consideration of the ability to travel and other pertinent circumstances. If the parties are unable to agree on a location, the determination should be made by the arbitrator. Payment of arbitration fees will be governed by NAM's schedule of "Fees for Disputes When One of the Parties is a Consumer." Notwithstanding the foregoing, if the arbitrator decides that any claim asserted in the arbitration demand is frivolous, the arbitrator may award the defending party any attorney's fees and any filing, administration, and arbitrator fees incurred. The arbitrator may award any individual relief a court of law could, including temporary, interim, or permanent injunctive relief on an individual basis.

If a court or arbitrator finds in any action between you and us that any part of this Dispute Resolution provision is unenforceable with respect to any claim, then the arbitration agreement and class action waiver will not apply to that claim, but they will still apply to any and all other claims that you or CVS Healthspire may assert in that or any other action. If any provision of this Dispute Resolution provision is found unenforceable, the other parts of it shall continue to apply. These Terms, all transactions related to CVS Healthspire, and all related matters are governed by the Federal Arbitration Act, applicable federal law, the laws of New York, without regard to any conflict of laws rules.

Copyright Infringement Claims: Notice and Take-Down Procedures

The Digital Millennium Copyright Act of 1998 (the "DMCA") provides recourse for copyright owners who believe that material appearing on the Internet infringes their rights under U.S. copyright law. If you believe in good faith that materials available on the Service infringe your rights under U.S. copyright law, you (or your agent) may send to CVS a written notice by mail, e-mail or fax, requesting that CVS remove such material or block access to it. If you believe in good faith that someone has wrongly filed a notice of copyright infringement against you, the DMCA permits you to send to CVS a counter-notice. Notices and counter-notices must be sent in writing and meet the then-current statutory requirements imposed by the DMCA (see <http://www.copyright.gov/> for details), which, with respect to notices of infringement, currently include, among other requirements, the following:

1. Sufficient information identifying the copyrighted work(s) believed to be infringed.
2. Sufficient information identifying the allegedly infringing material(s) and the location of such material(s) in order to permit CVS to locate such material(s).
3. A statement from the owner (or the owner's authorized representative) of the copyrighted work(s) believed to be infringed that such owner or authorized representative has a good faith belief that the allegedly infringing materials are used in a manner not authorized by the copyright owner, its agent, or the law.

4. Contact information for the complaining party, including a mailing address, a telephone number and, if available, an email address.
5. A statement that the information in the notification is accurate and, under penalty of perjury, that the complaining party is authorized to act on the copyright owner's behalf.
6. A signature or the electronic equivalent from the owner (or the owner's authorized representative) of the copyrighted work(s) believed to be infringed.

Notices and counter-notices must be sent in writing to CVS's DMCA agent as follows:

DMCA Agent, Legal Department

Email: **DMCA@cvshealth.com**

Governing Law

This agreement, your use of the service, and all related matters, regardless of your location, are governed solely by, and construed solely in accordance with, the laws of the United States (including federal arbitration law) and the State of New York, excluding any rules of private international law or the conflict of laws which would lead to the application of any other laws. CVS Healthspire failure to insist upon or enforce strict performance of any provision of this Agreement shall not be construed as a waiver of any provision or right. Neither the course of conduct between you and CVS Healthspire nor trade practices shall act to modify any provision of this Agreement. We may assign our rights and duties hereunder to any third-party at any time without notice to you.

Indemnity

You agree to indemnify and hold harmless CVS Healthspire Payor & Life Sciences LLC, and its officers, directors, employees, affiliates, agents and other third parties permitted to receive your information from any and all claims, liability and expenses, including reasonable attorneys' fees and costs, arising out of your use of the Applications or your breach of this Agreement (collectively, "Claims"). CVS Healthspire Payor & Life Sciences LLC respectively reserves the right, in its sole discretion and at its own expense, to assume the exclusive defense and control of any Claims. You agree to reasonably cooperate as requested by us in the defense of any Claims.

Changes to the Service

CVS Healthspire and its suppliers and vendors may change or modify the information, services, products, materials, and any other resources contained on or accessible through the Service, or discontinue the Service altogether, at any time without notice.

Entire Agreement

This Agreement is the entire agreement between you and CVS Healthspire Payor & Life Sciences LLC and replace all prior understandings, communications and agreements, oral or written, regarding its subject matter. If any court of law, having the jurisdiction, rules that any part of this Agreement are invalid that section will be removed without affecting the remainder of the Agreement. The remaining Agreement will be valid and enforceable.
